Yesterday, CQ wrote a good article on Senator Jim Demint's (R-SC) efforts to clean up the often abused, wasteful, and corrupt earmark process. He has been going toe to toe with the powers that be in the Senate to push for increased transparency and legitimate reform -- not the window dressing seen t... Yesterday, *CQ* wrote a good article on Senator Jim Demint's (R-SC) efforts to clean up the often abused, wasteful, and corrupt earmark process. He has been going toe to toe with the powers that be in the Senate to push for increased transparency and legitimate reform -- not the window dressing seen thus far. Click here to read the article.
