

Medicare wheelchair and POV coverage guidelines indicate that in order to allow payment for a wheelchair,

Furthermore, to qualify for a POV all of the following criteria must be met:

- You require a wheelchair to maneuver in your home
- You cannot operate a manual wheelchair
- You can safely operate the controls of a POV
- You can transfer safely to and from a POV and have adequate trunk stability to safely ride in a POV

If all criteria above is met, one must also present a prescription from a physician prior to purchasing the
