

If you have filed a benefits claim with Veterans Affairs and need additional assistance, Congressman Campbell's office is prepared to assist constituents of the 48th District with getting information on a claim.

Please note that while the VA will provide information to the select staff tasked with this issue, Congressman Campbell's office cannot act as a legal representative of a constituent and cannot testify on behalf of submitted benefits paperwork. Additionally, a congressional inquiry into a veteran's case will not affect the work done by a VA official or impact the outcome.

Once a completed application for benefits has been submitted to the VA, Congressman Campbell's office will be able to assist you in monitoring the progress of your claim. In order to file a request for assistance, please feel free to download and fax or mail a completed [casework authorization form](#) to the Orange County office. If you have any questions, please call this office at 949.756.2244.
